Gary, I made your changes to the fact sheet and sent it to the contractor. I would like to see your slide presentation, when you have it ready, and would like to do an introduction to the meeting and try to control the meeting when we get to questions. Texas Health will attend the meeting but not speak. They will answer questions. I will inform TCEQ about the meeting and would expect them to also be there.

Please let me know any questions you may have. Have a nice Thanksgiving.
